Dear Mr. Champalimaud:

It is with great pleasure that I inform you that Oitavos Golfe Clube has been designated by Audubon International as a Certified Gold Signature Sanctuary. The Arthur Hills-designed facility is the first **Certified Gold Signature Sanctuary** in Europe, the first in Portugal and the second in the world.

Congratulations on a project which gives protection to the natural resources of the region while preserving an excellent golf experience. Oitavos Golfe Clube joins Audubon International's family of environmentally sensitive properties around the world demonstrating a commitment to sustainable development and environmental stewardship.

Congratulations on the certification!

Sincerely,
